

## The Degree Programmes of Rhine-Waal University

- **Innovative, interdisciplinary and international**
- **Scientific and application-oriented**
- **An open and friendly atmosphere**
- **High quality higher education and research**

Study, research and learn in small groups for Bachelor and Master Degrees in modern, interdisciplinary courses of study in technical and natural scientific speciality fields, computer sciences and social sciences. Study degree programmes are in German or English.

### Rhine-Waal University

The Rhine-Waal University offers degree programmes at two campus-sites in Kleve and Kamp-Lintfort. Until the move to the new buildings in Kleve in the winter term 2012/13 Emmerich acts as an interim location.

At all sites students will find everything close together: modern teaching and laboratory facilities, research center, libraries, language centers, dining halls and dormitories.

The students at Rhine-Waal University benefit from innovative courses, intensive industry contacts, international collaborations, first-class facilities and personal assistance in practical training and exercises. Create your career with us! We look forward to welcoming you at Rhine-Waal University!
