## **Qualification for admission to higher education**

Please indicate what diplomas or certificates you have that would qualify you for admission to a higher education institution in your home country.

Type of qualification:

Grade :

Date of acquirement:

## **Higher education qualifications**

Please indicate any qualifications that you may have, e.g. finished individual courses or semesters or professional experience that are relevant to the study program you want to apply for. Please include course grades for individual semesters.

## **Language skills**

Please indicate any proof you have of either German or English language skills, depending on the study program you want to apply for.

**English:** If you want to enroll in a study program taught in English, please submit proof of your language skills, for example by means of a TOEFL certificate (paper-based test with at least 500 points, computer-based test with at least 173 points or internet-based test with at least 61 points) or another international certificate corresponding with the C1 level of the Common European Framework for languages (CEF).

**Test:**

**Level:**

**German:** In case you want to enroll in a study program taught in German, please submit proof your German language skills, for example by a certificate (e.g. TestDaF) that corresponds with DSH (German language test for admission to higher education), Level 2 or higher.

**Test:**

**Level:**

Please note that even if you apply for a study program in English, basic knowledge of German is still very helpful in everyday life while studying in Germany!

**Date** \_\_\_\_\_ **Signature** \_\_\_\_\_

**Please send in this form together with a copy (either in English or in German) of all relevant documents (translated copies from certified translators only).** Applicants that are already enrolled at a German university, please enclose a certificate of enrollment with documented periods of study or, if applicable, a certificate of disenrollment.

After we have received your application we will verify whether or not your application fits the formal and educational requirements. In case the number of applications exceeds availability, there will be a selection procedure based on the average grade level. After the application procedure, you will receive either an approval notification or a rejection in case we are unable to accommodate you. If you have any more questions, please feel free to contact the International Office:
