

Re-registration for winter semester 2025/26

Dear Students of Rhine-Waal University,

To continue your studies you are required to re-register with the University by paying the semester fee, in accordance with Section 8 of the Enrolment Regulations (*Einschreibungsordnung*). The re-registration deadline is **15 June 2025**. The regular semester fee for winter semester 2025/26 is **€347,10**. Please refer to your [HIS-studentportal](#) for the amount to be paid and the payment details. Please transfer the semester fee early, as it must reach the University's account within the re-registration deadline.

- - - How to prevent the late fee - - -

If you re-register after the re-registration deadline you will have to pay an additional €15.00 late fee (in accordance with section 1 (7) of the *Fees and Charges Statutes of Rhine-Waal University of Applied Sciences*). You can prevent paying the late fee by making sure of the following:

- Transfer the **full amount** of the semester fee to the correct bank account before 15 June 2025. Please note that the amount **must reach** our bank account on the 15 June latest.
- Use only the correct **personalised number sequence** described below as payment details, to ensure that we can match your payment to your student account.
- No missing re-registration documents

If we have not received your payment by **15 June 2025** or if there are missing documents, we reserve the right to de-register you from the University according to Section 11 (3) (b) (c) of the *Enrolment Regulations of Rhine-Waal University (Einschreibungsordnung)*. Therefore, please check one month prior to the start of the semester in your [HIS-studentportal](#), whether you are successfully re-registered.

Please understand that we cannot send out a payment receipt. The paid amount will be displayed in your [HIS-studentportal](#), but with some delay due to technical reasons. However, the payment should show up within one month prior to the start of the semester. If this is not the case, please send us an email to studierendenservice@hochschule-rhein-waal.de.

You cannot be re-registered if required documents are missing, as, for example, proof of the preparatory internship (relevant only for bachelor's degree students), proof of health insurance (only if a lock is displayed in your [HIS-studentportal](#)), or proof of your bachelor's degree certificate (only for master's degree students with conditional enrolment status). Without re-registration you won't receive your Proof of enrolment / Deutschlandsemesterticket and you won't be able to register for exams.

For graduates

If you graduate in summer semester 2025, no re-registration is required. What is important in this regard is the date the thesis (incl. colloquium) is submitted or the last examination is taken. The date the results of the thesis or last examination are announced is irrelevant. Re-registration is only necessary if your last examination (e.g. colloquium) takes place in winter semester 2025/26 (starting 1 September 2025).

For Incoming Exchange Students

This information does not concern exchange students who are enrolled for only one semester. Only if you are an exchange student who stays for a full academic year, you have to re-register and pay the semester fees for the upcoming semester as indicated here. If you have any questions, please contact the [Centre for Internationalisation and Languages](#).
