5th E-Government University Day

Agenda 17th of November 2015

Building on the success of previous years, the Faculty of Communication and Environment at Rhine-Waal University is now focussing on the topic **“IT-Security: A Challenge for Public Administration – New Prospects for Young IT Talents”**

The fifth E-Government University Day has been organised in cooperation with the Local Data Processing Center KRZN, IT.NRW, Computacenter AG & Co. oHG and CHG Meridian AG.

We are looking forward to welcoming guests from the world of politics and business, local authorities and students to discuss current topics of E-Government. The programme is moderated by Gregor Franzmann, Ministry of Health, Equalities, Care and Ageing of the State of North Rhine Westphalia.

The programme will be accomplished by a presentation of current students' projects.
