

WS 26/27 Engineering 3rd Semester

	Monday				Tuesday				Wednesday		Thursday		Friday		
8-10	Microelectronic Control Systems L IVO				Microcontrollers L IVO				3D Product Specification L SDA		Project Management E biweekly	Signal Processing L AKE	Analog Electronics L GG		
10-12	Information Competence and Scientific Working L biweekly AST	Information Competence and Scientific Working E biweekly GB	Information Competence and Scientific Working E biweekly AKE	Information Competence and Scientific Working E biweekly PST	Project Management L biweekly DU	Project Management E biweekly			Project Management E biweekly	Machine Learning L RHA	Sustain., Quality & Busin. Proc. Mgmt. L AKL		Microelectronic Control Systems PT IVO/TG		
12-14	Project Management E biweekly	B2B Marketing & Sales L DBE			Project Management E biweekly	Non-metallic Materials L CHE			Analog Electronics PT ASA/FKT/JC		Sustain., Quality & Busin. Proc. Mgmt. L biweekly AKL	Sustain., Quality & Busin. Proc. Mgmt. E biweekly AKL/CBE	Analog Electronics E biweekly GG	Signal Processing E biweekly AKE/FKR	Signal Processing PT biweekly AKE/FKR
14-16	Microelectronic Control Systems PT IVO/TG	Machine Learning PT RHA/PST	3D Product Specification PT SDA/AM/MSR		Microcontrollers PT IVO/TG	Modelling and Numerical Simulation PT TB/ÖE	Analog Electronics E biweekly GG	Non-metallic Materials E biweekly CHE/TK	Analog Electronics PT ASA/FKT/JC		Modelling and Numerical Simulation PT TB/ÖE	B2B Marketing & Sales E DBE	Statistics and Probability E TC		
16-18	Microcontrollers PT IVO/TG				Microcontrollers PT IVO/TG	Modelling and Numerical Simulation PT TB/ÖE	Machine Learning PT RHA/PST	Non-metallic Materials E biweekly CHE/TK	Analog Electronics PT ASA/FKT/JC		Modelling and Numerical Simulation L TB				

"The following overview is an idealised schedule for a 'typical' student, allowing collision-free attendance of the courses shown. Due to the large number of options available for designing your own personalised study programme in accordance with the examination regulations, conflicts may arise. If you are unable to resolve these conflicts, please consult your personal mentor. "
