## **Refugees welcome!**

Lectures open to guest auditors

Winter semester 2018/2019

## **Kamp-Lintfort Campus**

## Lectures

Refugees are welcome to join our University as guest auditors.

## Welcome

### Rhine-Waal University of Applied Sciences

offers a number of opportunities to people who have fled war or political persecution and are registered as refugees in Germany.

### Did you study at university in your home country?

Registered refugees can apply to become 'guest auditors' at our University for free. As a guest auditor – or 'Gasthörer' – you can take part in select lectures taught in German or English. This gives you the chance to expand your knowledge and skills to new areas.

Our guest auditor programme is not restricted by age, academic background or employment status. As proof of your current refugee status, please attach a copy of your temporary residency permit to your application and send both to our Student Advisory Service.

### Would you like to learn German?

Our Language Centre offers several German courses that you can attend for free as a registered refugee. For more information on how to join a language course, please contact our Language Centre.

### Interested in earning a degree with us?

To become a regular student at Rhine-Waal University of Applied Sciences you must meet certain requirements. For individual advice, please contact our Student Advisory Service.
