*...Supporting  
Our University!*

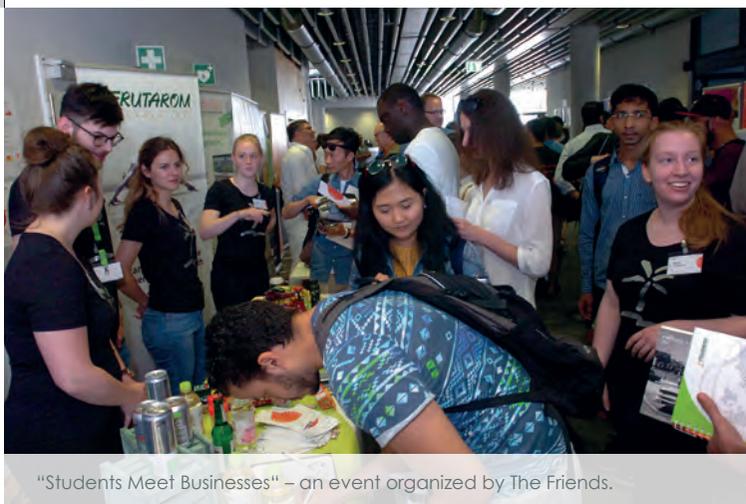

Chairman Peter Wack hopes to welcome more new members to The Friends of the University Rhein-Waal – [Campus Cleve](#)

The Rhein-Waal University of Applied Sciences offers students in Kleve and Kamp-Lintfort modern facilities for studying. The four faculties Technology and Bionics, Life Sciences, Communication and Environment, Society and Economics offer attractive study programmes in an open and personal atmosphere for up to 5,000 students. The University is committed to providing excellent teaching and research with high quality standards and strong application orientation.

The Friends of the University Rhein-Waal – [Campus Cleve](#) aim at strengthening the University Campus in Kleve, at fostering science, teaching and research, and at supporting students' interests.

## The Friends of the University Rhein-Waal – [Campus Cleve](#)

- support the University in Kleve with the aim of creating an attractive site for teachers and students
- promote contacts between the University, businesses and organizations located in the District of Kleve in order to maintain a continuous dialogue and exchange
- help students in order to develop an interesting location for their studies in the District of Kleve

"Students Meet Businesses" – an event organized by The Friends.

Support us by making a donation or becoming a member in our association and contribute to the further development of the University Rhein-Waal in Kleve!
