

Rhine-Waal University of Applied Sciences in Kleve and Kamp-Lintfort offers an innovative and international educational environment with first-rate teaching in interdisciplinary undergraduate and postgraduate degree programmes, most of which are taught entirely in English. Its institutional research focus is on technology, natural sciences and the social sciences. Over 7,300 students are currently laying the foundation for their future careers by pursuing a degree at Rhine-Waal University of Applied Sciences.

For winter semester 2023/24 the Faculty of Communication and Environment is currently seeking a qualified

Sessional Lecturer

in the undergraduate/ postgraduate degree programme International Business Administration in Kamp-Lintfort per § 43 of the Higher Education Act of North Rhine-Westphalia (HG NRW).

Reference: IBA2023/LA/02

Subject/module: 8414

International Business Law

This is a module (lecture with exercise) with a duration of 4 semester hours per week. The module is to be offered on campus (blended learning or online teaching possible) in the winter semester 2023/24 and will be taught in the first semester of the undergraduate degree programme International Business Administration. Language of instruction is English.

Content includes, but is not limited to:

- Legal basics (sources of law, ranking of norms, function and operating of law)
- Differentiation between civil law and public law
- Fundamentals of civil law (person/thing, formation of a contract, declaration of intent, agency, legal capacity, avoidance and invalidity of contracts, types of contracts, civil law association)
- Fundamentals of business law
- International business law (term, development, public international law)
- Fundamentals of labor law (individual and collective labor law, contract of employment, co-determination)
- Law of the European Union (regulations, directives, decisions, recommendations, and opinions, European Corporate law ♦ legal form of SE)
- Corporations vs. partnerships
- Corporate Governance Systems (one tier system vs. two tier system)

Requirements:

The lecturer shall have a corresponding university degree and have practical experience. Didactic skill and the ability to hold the course with an international group of students (app. 40-50 students) in the English language are required (the language level shall be C1 according to the European reference framework).
