

BREAKING NEWS

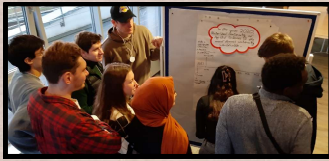

EXCURSION TO PAPENBURG AND BREMEN

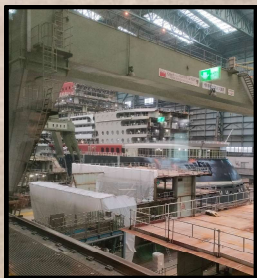

START OF EXCURSION

Day one: Ride to Papenburg and first team building activities.

Day two: The Meyer Werft is one of the world's leading shipyards, renowned for its expertise in building luxury cruise ships. Founded in 1795, the shipyard has a rich history and has continuously evolved to incorporate cutting-edge technology and sustainable practices.

Boßeln after the Meyer Werft visit: Boßeln, a traditional German throwing game, primarily popular in Northern regions. Played in teams, participants take turns rolling a heavy wooden ball down a designated path, aiming to cover a set distance in the fewest throws.

We do not exactly know which team won :-)

POLAROID COLLECTION:

BREMEN NEWS:

Day three: Visit to Beck's brewery to get a feeling for the beer brewing process and the business behind that.

Followed by a guided tour through the city of Bremen by Prof. Bauer.

Bremen is a historic city in Northwest Germany, known for its rich maritime heritage and vibrant cultural scene. As a major port city, it played a significant role in trade and commerce, contributing to its economic prosperity.
