

Experiencing local
culture and historical
monuments

The Naval hill
planetarium in
Bloemfontein

Going for a quad tour
through the mountains
in Clarens

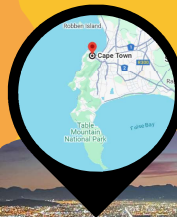

Wine production at
Stellenbosch wine
estates

A two-day safari in South Africa.
Featured a guided drive in a national park,
where we searched for the Big Five.
Day 2, we enjoyed another guided tour,
focusing on wildlife and the local ecosystem.
Experience the beauty of the bush in a simple,
immersive way.

At our partner university CUT in Bloemfontein. Lectures
included interactive Q&A sessions and group discussions,
fostering active student participation.
The ending ceremony featured speeches, certificates,
and a traditional drum session.

Embarking on a hike up Lion's
Head Mountain at 4 AM,
Experiencing a stunning aerial
view of Cape Town.

And having to hike all the
way back down again...

The final day in Cape Town was spent
visiting the Cape of Good Hope and observing
the penguins at Boulders Beach.
